RE: Appl. No. 09/882,329
Filed 6/15/2001
Applicant: Bouyoucos, et al
Group Art Unit 3662
Docket HA-118CV
re: Formalities Letter, Confirmation No. 8435
Notice to file corrected application drawings

RECEIVED
JAN 16 2002
GROUP 3662

Sir:

The papers are incorrect in that the Non-Publication Request was not acknowledged. The request is on the application Transmittal Letter which states "DO NOT PUBLISH BEFORE ISSUE - NO FOREIGN FILING IS ANTICIPATED".

Accordingly Corrected Formal Drawings are not required before allowance. Please forward the case for examination based on the informal drawings. If you are of a different view, please contact me at once.

Respectfully,

Martin LuKacher
RN 17788

It is hereby certified that this paper was filed by 1st class prepaid mail to the Commissioner for Patents on 8/20/01.
